

Dear Parents,

The staff and administration at Turtle Creek have always been concerned about our environment. We have developed a comprehensive curriculum teaching our children how to take care of the earth. In keeping with this, Turtle Creek has decided to go paperless beginning September 2009. We will send notices and announcements to our families by email. Thank you for joining us in this small step to help the environment.

Please complete the form below and submit it to the office no later than September 1, 2010. Thanks.

Child's Name _____

Child's Class (Sept. 2010) _____

Parent's Name _____

Email _____

Phone # _____

Parent's Signature _____ Date _____
