

**Turtle Creek Learning Academy  
10 Railroad Avenue  
Marlboro, NJ 07746  
732.780.9656**

Dear Parents:

Thank you so much for choosing Turtle Creek Learning Academy for your child's educational needs for the upcoming school year. We are looking forward to serving your child in a very nurturing and professional setting.

You will be able to complete all the necessary paperwork from this website. **Turtle Creek Learning Academy requires the enrollment document and the Information to Parents Statement from DYFS to be completed, signed and returned before your child is considered an enrollee in our school. The health form must be returned by August 15th. No student can be admitted into our school without a current health form.** Consult your doctor for required immunizations. It is also extremely important that we are alerted in writing of any allergy or health concern before your child enters in September. If your child's allergies are so severe that they may require an epi-pen injection by one of our trained staff, you must submit to us a protocol for administration of the epi-pen **signed by you and your physician**. We also need this by August 15 so we have time to review and practice.

We will continue to follow the Marlboro school calendar with the minor adjustments. We host a parent/child orientation prior to the first day of school. Your child's teacher will inform you of the exact time for your group in her summer welcoming letter.

We are requesting that all of our parents, except for kindergarten enrichment, submit a \$75 activity fee at the beginning of the year to be used towards monthly school entertainment, field trips, buses and guest speakers. This money will be put in a special activity fund to be used for these purposes.

**Please note that in order for you child to be registered, all paperwork must be submitted and the deposit and registration fee paid.**

Looking forward to seeing you soon.

Sincerely,

Mamie Weiss  
Director
